The 46th Annual Meeting of the Korean Society of Nephrology

Invitation Letter

Dear colleagues,

On behalf of the Organizing Committee, it is our great honor to invite you to the 46th Annual Meeting of the Korean Society of Nephrology (KSN 2026) which will be held at the COEX, Seoul, Korea from June 11 (Thu) to 14 (Sun), 2026.

The KSN Meeting 2025 was successfully held with the continued support and active participation of our members. Under the theme “Beyond Challenges, Towards Healthier Kidney,” the congress delivered a high-quality scientific program encompassing diverse areas of nephrology and provided a valuable platform for the exchange of the latest research findings and clinical expertise.

Building on these achievements, KSN 2026 is being prepared under the theme “Shaping Tomorrow's Nephrology: Insight-Driven Kidney Care” as another distinguished international congress to further promote global collaboration and academic excellence in nephrology.

It is the wish of the KSN to have the privilege to share its experience and know-how with colleagues from all over the world through KSN 2026. We cordially invite members of the nephrology community to join us in sharing their valuable expertise and to enjoy the diverse programs we have prepared for KSN 2026.

We look forward to meeting you all at KSN 2026 in Seoul, Korea!

Sincerely yours,

Soo Bong Lee
Congress President
Korean Society of Nephrology

Hyeong Cheon Park
